

Product data sheet

ERC Throttle valve cleaner spray

Description

ERC Throttle Valve Cleaner

Removes stubborn deposits in the carburetor system, thereby preventing major repairs. Spray ERC Throttle Body Cleaner into the carburetor or air filter for 30 seconds while the engine is running.

ERC Throttle Body Cleaner Spray dissolves tar deposits and provides long-lasting corrosion protection. Specifically designed for tar removal and corrosion protection. It cleans the interior of the carburetor as well as the suction pipes all the way to the valves, protecting them from damage. It is also suitable for treating linkages, cable guides, and metal bearings. **400 ml spray can**

Article number: 05704334
