

Product data sheet

KMC Chain "e11"

Description

KMC 11-speed chain

Whether on short routes through the city or on forest trails on tour - the e11 chain from KMC is a reliable companion.

If you ride a bike with an 11-speed drivetrain, the e11 chain is just right for you.

A special anti-rust coating makes the chain particularly robust and hard-wearing. A Connecting Link is included to connect the two loose ends of the chain. The note "E-Bike-special" indicates that the chain is specially designed for the requirements of an e-bike.

Article number:	03342946
