

Product data sheet

BRAVE Pedal "Superthin"

Article number:	07363625
Original number:	BMPD70RD
EAN:	848165006754
EVP:	63.95 €

Technical data

Design	freeride/downhill
Main colour	red
Thread	9/16
Bearing type	sealed bearing
Housing material	aluminium
Frame material	aluminium
Weight	0.326 kg

Description

Platform Pedal from BRAVE

For trails that go over hill and dale, you need reliable pedals that give you grip and safety in the event of heavy impacts. The Superthin are just such pedals, which is exactly why they are at home in freeride/downhill.

The pedal body and frame are both made of aluminum, which - along with steel - is a tried and tested material for pedals. It combines weather resistance and rigidity with a comparatively low weight.
