

CONTEC Grip Clamp Rings "G-Ring Select"

Description

Easy Installation & Custom Look

Handlebar grips are the points of contact between the Fahrer and the bike and should therefore be securely fastened to prevent twisting. The CONTEC "G-Ring Select" Grip Clamp Rings allow for easy and secure installation of CONTEC grips such as "Lock-on Trail," "Trail Pro," or "Trail X." Thanks to an extensive selection of colors, you can add your own personal color accents. The "G-Ring Select" clamping rings, made of aluminum, are available in a 2-pack and are the perfect complement to numerous CONTEC grips.
