- RK 520EXW is designed to meet the **Extreme** requirement of rally races such as **Dakar Rally**, featuring RK's only technology of **XW-Ring** and improved **Thermal Fatigue Resistance**.
- RK 520EXW features RK's only technology of **XW-Ring**, which is a **triple barrier** to further seal the lubrication but also prevent debris to enter the chain. It is the ultimate solution against the desert sand on **Dakar Rally**.
- RK 520EXW can be applied for **Pro ATV** with its anti-heat cracking feature due to the special heat treatment that improves the **Thermal Fatigue Resistance**.
