Description

The QiO Compact P8 makes it easy to get started in the world of high-quality compact bikes. Its balanced and natural handling makes it perfect for a variety of everyday activities: commuting to work in the morning, running errands in the afternoon, and taking a weekend ride through the countryside. The Bosch Performance Line drive provides the necessary support, while the 540-Wh Battery delivers the capacity needed for daily commutes.

With eight gears, you can select the right gear ratio for any riding situation. The compact Purion 200 Display shows the most important information right on the Handlebars. Hydraulic Magura disc brakes ensure controlled braking, while the Continental eContact+ tires are designed for daily use. If you head home later in the evening, the Briq-S Front Light with 60 lux ensures good visibility.

With a gross vehicle weight of 180 kg, the Compact P8 also offers plenty of room for luggage and a variety of daily activities. The result is a compact e-bike for city rides, commutes, and leisurely outings.
