Description

GREVEN "SOFT U" Hand Cleaner

Paste-like Hand Cleaner for heavy to extreme soiling

Suitable for heavy soiling such as greases, oils, metal dust, graphite, or soot, thanks to coarser abrasive particles (made from olive kernel meal) and a higher surfactant content. Gentle on the skin despite its powerful cleaning action, with moisturizing rapeseed oil (adjusted to the skin's natural pH) to enhance cleaning performance. Solvent-free, soap-free, perfumed, vegan. The product's ingredients comply with Halal and Kosher requirements., **250 ml tube**
