CONTEC Pedal Pins "R-Pins Select"

Description

Best performance in mud and wet conditions

If you ride your MTB to the limit in wet and muddy conditions, you need some extra grip. The CONTEC MTB pedal pins "R-Pins Select" made of light and robust aluminium are available self-service packed with a matching spanner for 20 pieces and fit perfectly with all pedals with suitable drilling, such as the 2Black and 2White pedals. Ideal as a replacement for lost pins and for those who want the best grip in any situation.
