Qio Electric compact bike "EINS P-E" (#1)

Description

The Qio "EINS P-E" compact e-bike is ideal for city rides and shopping. With the Bosch Smart System (BES3), it always stays up to date. The eBike Flow app connects the "Performance Line" engine, the 545 Wh Battery and the Operating Unit, allowing you to select riding modes, plan routes and record tours. The results can be synchronized with health apps, for example.

The continuously variable Enviolo "TR" gear hub is perfect for hilly terrain and overland tours. Together with the Bosch engine, you can reach speeds of up to 25 km/h. The Gates CDC Straps The compact design, foldable pedals and folding Handlepost make it easy to stow away in small spaces or in a camper van.

With 62 mm wide tires on 20" wheels and the Parallelogramm Suspension Seatposts, the compact e-bike offers a high level of comfort on paved paths. The by,schulz seatpost is also theft-proof.
