

Busch + Müller Front Light "Lumotec"

Description

The BUSCH & MÜLLER "Lumotec" halogen front lights make your bike tours safe and bright. With a solid 17 lux, it lights the way when you need it, is suitable for side-running dynamos and has the German test mark for quality. The Front Light does not glare upwards and has an integrated reflector for increased visibility. Practical details such as the connection option for earth cables and the Overvoltage Protector make it reliable and durable. Rust-free and without cables - the ideal companion for safe rides.
