Use	standard, E-bike

Description

The Kickstand Power from URSUS
A kickstand like the "Power" from URSUS is simply part of an everyday bike. It offers standing comfort on city and trekking bikes and e-bikes in the sizes 26", 27.5" and 28". Depending on the size of the bike and the desired angle of inclination, the length of the "Power" can be flexibly adjusted.
The fact that you hardly have to pay any attention to the "Power" apart from that is due to its high-quality production and high level of user comfort. The Kickstand is screwed to the Adapter Plate between the bottom bracket and rear tire. The appropriate Screws are included in the scope of delivery. The "Power" is also approved for e-bikes.
