

Product data sheet

CONWAY Electric SUV "Cairon SUV 4.0" (#1)

Description

The Conway "Cairon SUV 4.0" is your ideal companion. Whether on unpaved paths off the road or in the urban jungle as a commuter. With Fenders, bright lights and a Carrier, it is versatile and always reliably on hand.

The powerful Bosch "Performance CX" mid-motor provides a welcome tailwind in combination with the InTube battery with an impressive 750 Wh. Thanks to this capacity, you can plan your tours to your heart's content and even take an extra lap without any worries. The comfortable aluminum frame and 29" wheels ensure a pleasant riding experience and offer safe handling thanks to excellent rollover behavior and grip.

The "Deore" derailleur gears from Shimano with 10 gears offer you a reliable gradation to make progress even in hilly areas. Hydraulic disc brakes guarantee a high level of safety and control.
