

Philips Battery "Powerlife"

Description

PHILIPS battery "Powerlife"

self-service package, more power and durability because of the Philips Graphit-Technology. New, refined graphite in larger amount guarantees an improved electronic contact and therefore more power, longer durability receives the Powerlife because of higher Mangadiosid-density, **mono (D/LR20)**, 2 in blister

Article number:	03150273
Original number:	LR20P2B/10
EAN:	8712581550028

Technical data	
Design	mono (D)
Main colour	black
Secondary colour	red
Accent colour	green
Weight	0.145 kg
Types	battery
