

POINT Chain "S512H"

Description

Chain S512H from POINT

Due to high speeds, powerful drives and higher bike weight, e-bike chains are exposed to far greater loads than conventional chains. This is why the S512H from POINT is specially designed for use on motorized bikes.

In order to be able to close the chain properly, a Connecting Link is included in the scope of delivery, which connects the two loose ends.

Article number: 03341609

Original number: 10107701

EAN: 4016232063115

EVP: **14.95 €**

Technical data

Amount of chain links	124 pcs.
