

Product data sheet

CYCLO Brake Fluid "DOT 5.1"

Article number:	03173036
Original number:	202170016
EAN:	5013863030409
EVP:	14.95 €

Technical data

Main colour	black
Secondary colour	red
Weight	0.157 kg

Description

CYCLO brake fluid "DOT 5.1"

compatible for all DOT based hydraulic bicycle disc brakes, Aero Technology DOT 5.1 is designed for professional useage and therefore extremely stable, the braking system requires no periodically bleeding, DOT 5.1 absorbs no water and has therefore an excellent resistance to aging, ideal viscosity with low and high temperatures in the range from: -25° C ~ 280° C, reliable sealing through optimum seal compatibility, **125ml**
