Product data sheet

ANSMANN Battery

Description

ANSMANN Rechargeable Battery
LiNiMnCo02 Lithium Battery, 36 V
Meets the highest safety standards. Overvoltage Protector, overtemperature protection, charge and discharge balancing, short-circuit protection (fuses), and range optimization management, **11.2 Ah**

Article number:	03448660
Original number:	3200-0001-3
:	
EVP:	**610.95 €**

Technical data

Battery capacity	11.2 Wh
Main colour	black

This product data sheet is based on the information available at the time of generation. Subsequent changes to prices, technical specifications, or product information are possible. The current details provided with the item are authoritative.
