

Product data sheet

MIRANDA Crank "Delta 0"

Description

Crank Spider from MIRANDA

The Delta 0 from MIRANDA is a right-hand crank arm and 175.0 mm long. Lightweight and durable - this best describes the crank, as it is made of aluminum. It is also resistant to weather influences such as corrosion. The crankset is designed to withstand the high forces on pedelecs. This is what the addition "E-Bike-special" stands for.
