Product data sheet

LIQUI MOLY Special oil "1097"

Article number:	41162199
Original number:	1097
EAN:	4100420010972
EVP:	**12.00 €**

Technical data

Width	8.6 cm
Range of application	truck, commercial vehicle, other
Main colour	yellow
Container type	bottle
Height	26.2 cm
Content	1.0 l
Type	hydraulic, other
Length	8.6 cm
Weight	0.845 kg

Description

LIQUI MOLY Special Oil "1097"
Tailgate oil, Specifications / Approvals: Hydraulic oils DIN 51524 Part 2 HLP 15
Specially developed to ensure precise system operation. The typical stick-slip effect is now a thing of the past. To meet the high demands regarding maximum load-carrying capacity, optimal wear protection, as well as the thermal stresses and oxidation stability encountered in these systems, special emphasis was placed on using only high-quality raw materials. Foaming in hydraulic systems is prevented, and dust seal materials are optimally protected.
Note: When used in accordance with the manufacturer's instructions, this oil can be used year-round in tail lifts and lifting platforms on commercial vehicles. It is also suitable for systems that require a hydraulic oil with this specification., **1-liter water bottle**
