CONTEC Valve Cap "Valve.Caps"

Description

Chic accents for the valves

Small details complete the perfect look: The CONTEC valve caps provide accents for the wheelset in various attractive designs. The caps are available in pairs and are simply screwed to the Schrader bike valves.

The high-quality valve caps stand out as eye-catchers on every bicycle. The versions "Bullet", "Skull & Bones", "Skull", "8 Ball" and "Gambler" offer exciting designs for different tastes.
