

CONTEC Grip "MERGE Trekking Bar"

Description

MERGE Trekking Bar Grips from CONTEC Grips play a major role in making cycling as comfortable as possible. Features such as the material are particularly important when making a purchase decision. CONTEC produces its MERGE Trekking Bar Grips from rubber. Bumpy terrain and potholes in the ground cause bumps that can hurt your wrist. Rubber impresses with its cushioning properties. The synthetic material is also weather-resistant and durable.

The MERGE Trekking Bar from CONTEC is sold in pairs.
