

Product data sheet

QiO Bag "Universal Bag Kurt"

Description

Our "Kurt" bag can be used universally - the ideal companion on bike tours. You can mount the handy roll-top bag on the right or left of the steering tube as you wish. The headset adapter is required for mounting on the QiO EINS models and the Compact AP8. This adapter is not required for the Compact and Long models. "Kurt" offers space for the plug-in chain of the QiO frame locks as well as for small items such as a wallet, smartphone or bunch of keys. The Bag is also ideal for carrying a water bottle. Made from PVC-free Tarpaulin with a TPU coating, "Kurt" is completely waterproof and is securely fastened with a nylon buckle.
