Description

High-quality tools are a part of any bicycle workshop. This includes the CONTEC open-end ratcheting spanner, which is particularly robust and durable. The use of the material mixture chromium and vanadium contributes to the tool's ability to withstand even higher stresses. The tightening of bolts and the carrying out of minor repairs are no problem with this open-end spanner by CONTEC.

This tool is therefore part of every optimum kit for amateur and professional riders.
