EAN:	4251971176232
EVP:	**4999.95 €**

Description

Enjoy an active ride without sacrificing comfort—that's exactly what the "Xyron SUV 4.0" was built for. The full suspension system, with 150 mm of travel at both the front and rear, ensures a smooth ride over asphalt, forest trails, and rougher terrain. The geometry puts you in an active yet ergonomically balanced

riding position: You sit slightly leaned forward, with direct control over the Handlebar and an efficient pedaling stroke.

The Bosch mid-drive motor with an 800 Wh Battery delivers powerful assistance up to 25 km/h. The Shimano "Deore" 12-speed drivetrain offers precise shifting, while the hydraulic disc brakes ensure reliable stopping power. The combination of a short Stem, a flat steering angle, and a long wheelbase ensures confident handling—even at speed or when carrying luggage.

With fenders, clever frame integration, and features like the HTM 2.0 front rack mount, BCM module, and Range Extender readiness, you're equipped for anything—from your daily commute to weekend tours.

,

Technical data

Battery capacity	800.0 Wh
Features	suspension fork, damper, electronic sliding aid, fender
Colour designation	deepblue matt
Main colour	blue
Travel	150 mm
Gender	gents
Gears	12-speed
Type	SUV
Wheel size	29 "
Material	aluminium
Engine power	250 W
Frame height	44 cm
Weight	29.200 kg
Stem length	40.0 mm
Permissible system weight	140 kg
Chainstay	452 mm
Toptube	615 mm
Wheel distance	1269 mm
Reach	485 mm
Seat tube	440 mm
Seat angle	77.6 °
Stack	637 mm
Steering tube	130 mm
Steering tube angle	64.5 °
