Description

Helmet safety & protection
Easy to see in the dark and protected from rain: With this bicycle helmet cover from WOWOW, you are a little safer and more protected on the road.

The "Helmet Rain Cover" is 100% waterproof and enables 360° visibility from up to 100 m away. This cover has many advantages, especially in the darker months of the year, even in the event of sudden rainfall.

The fluorescent yellow and Reflective Stripes of the rain protection ensure excellent visibility. There is also a reflective loop to which the "Multilight" LED Band from WOWOW can be attached. With the additional LED Band attached, other road users can see you clearly.
