EAN:	4251507942027
EVP:	**15.95 €**

Description

An assistant that is always at hand and can be easily stowed away again in the cupboard after use - that is the foldable "Rock Steward" tray from CONTEC. It has 5 compartments of different sizes for tools, screws and spare parts.
It is suitable for the "Rock Steady" assembly stand. The tray reaches a comfortable height: All the necessary utensils and small parts can be sorted in advance and are ready to hand when repairing the bike.

The tray in black is made of plastic. It has 2 retaining bolts for mounting on the assembly stand and thus becomes a stable table. After use, the tray is quickly dismantled and folded so that it takes up little space. It is therefore also ideal for travelling, as it can be easily stored in the bicycle bag.

Complementing the popular "Rock Steward" assembly stand, the mobile table for tools is an extremely useful addition to the home workshop.

Technical data

Design	Fixed mount
Main colour	black
Weight	0.360 kg
