Selle Royal Saddle "Ellipse Moderate"

Description

Top comfort & double protection

"Ellipse" by SELLE ROYAL is an anatomically shaped saddle with a recess in the middle of the saddle to relieve pressure. In addition, 3D Skingel, a three-dimensional gel structure, guarantees maximum comfort in the perineal area.

In addition, the double-layer "Double Cover" material applied to the sides makes the bike saddle doubly resistant to impacts and scratches. Elastomers have been added at the rear for better shocks.

In this "Moderate" version, the saddle is suitable for a medium sitting position with a spine angle of 60°.
